SECOND ANNUAL BLUE EYE REUNION PARADE

August 31,1991, the rain had stopped for the moment and the parade was under way. The route the parade would take would be as before. Start on EE HWY and end on the square. There were last minute changes, of course, a few dropped out and a few were added. But, as the year before, the parade was a success.

Leading off the parade was the Color Guard. Center front of the guard marched Roy "Bimbo" McCreary carrying the Grand Ole Flag of the United States of America. To Bimbo's left, and a couple of steps behind marched Richard "Magoo" Morgan carrying the Arkansas state flag. To Richard's right marched Harvey Gilbert carrying the Missouri state flag. All members of the National Guard.

Next came the Blue Eye Annual Reunion Banner proudly carried by Morgan and Brandon Rinker. Closely followed by Ryan Butler with the Missouri flag and Stewart Morgan with the Arkansas flag. (The two state flags signify that Blue Eye graces both great states.)

Grand Marshall Kendall Howerton received a high ride in Terry Hutchinson's 1985 Peterbuilt truck. (Nice rig Terry.)

Then came some of the cutest clowns I have ever seen. Robin Lippe, Sheara Butler, Casey Jo Dunkin and Stefanie Earl were just what the day needed to brighten it up. Thanks to Carrie Butler for organizing the clowns.

The first float in the parade was presented by the United Methodist Church of Blue Eye, Missouri. Riding on the float were some of the "Sunbeams", the youth group from the church. Donna Johnson was on board to help the "Sunbeams" spread a little sunshine.

Pack #94 of the Blue Eye Scouts came marching by looking as smart as ever. Reverand and Mrs. Piper were stepping mighty proud as they marched along with the scouts.

One of the many beautiful young ladies in the parade was the next feature. Tiny Miss Stone County 1991 Emily Tibbets riding in a Z28 Camaro driven by Mrs. David (Tami) Smith of Blue Eye, Missouri. Christopher Huskey and Jamie Tibbets were Miss Tibbets escorts.

Float number two in the parade was presented by the Bowman Penecostal Church of Blue Eye, Missouri. The floats theme was "The Bible, Foundation of Freedom". The float featured a huge open bible and a group of singers who sang patriotic songs.

The Mount Olivet Freewill Baptist Church of Blue Eye, Missouri with it's theme of "proud to be an American Christian", was a very clever design by Pat Snowden and Debbie Mann. Good work girls. This was a very nice float.

As last year, we had an excellent turn out of 4-wheelers in the parade. Some fearless riders were Chad Phillips, Duston Lippe, John Howerton and some others I was unable to identify were enjoying riding along the parade route. (Sorry I couldn't get everyones name.)

Alta Metz drove by in her EL Camino to show that the Blue Eye Lions Club and the Hook and Thimble Club were represented and still going strong. Good job as always Alta.

Next was a special treat. A miniature wagon and mule team from J&J Entertainment of Berryville, Arkansas. The wagon was driven by Jasper Malotte. *

CLASSIC CARS---Here comes the STATE LINE CRUISERS of Blue Eye, Missouri and their invited guests. Carrying the club's banner were Amanda and Daphne Sharp. Closely behind the banner carriers marched Michele Tibbets and Terra Blevins tossing candy to the crowd. Then came the Cars.....

Vehicle	Driver/Owner	Club	Hometown
1970 Dodge Charger	Jerry Kerns	SLC,founder	Blue Eye, MO
1964 Chevy Pickup	Paul Caffey	SLC	Ozark, MO
1962 Chevy Corvette	Rick Blevins	SLC	Nixa, MO
home-made ????	Willis Sharp	SLC	Blue Eye, MO
1956 Chevy	Doug Tibbets		Oak Grove,AR
1930 Model "A"Ford	James Lynn		Carr Lane,MO
1974 Chevy Nova	James Lynn		Carr Lane,MO
1968 Chevy Camaro	James Lynn		Carr Lane, MO
1958 Chevy pickup	Travis Cary		Blue Eye,MO
1931 Model "A" Ford	Derald Watts		

Horses, horses, pretty horses from the Blue Eye Saddle Club of Blue Eye. Carrying the club banner was Dick Pope, Bryce Marshall carried the American flag and the other members of the club who rode in the parade were Myrl Badley, Lacey Badley, Ferlin Tibbets, Earl Matlock, Tate Taylor, Don Blevins, Earl Matlock's son, paul Caffey's Daughter and last but not least Pete "Wolfman" Hayhurst.

Closing out the parade was the Southern Stone County Fire Department's Tanker truck. David Hartsell drove while Richard Fredrick rode shotgun.

*I almost forgot to mention Phil Wood and his children who rode their bikes along the parade route with Phil walking along side.

(Once again this year, I would like to say in advance, if I have misspelled a name or left someone out, I am sorry.)

Cheering and with pom-pons shaking marched Heather Snowden, Deanna Dewitt, Beth Gibson, Tonya Wiles and Christal Reed, the Blue Eye High School Cheerleaders of Blue Eye, Missouri. Ms. Helen Youngblood was marching along side and was a sponsor for the cheerleaders. They sure are a pretty bunch of girls.

The Church of Restoration of Lampe, Missouri was the next contribution to the parade. The members of the youth group of the church had the pickup filled to over flowing and the siren let us know they were coming.

Tiny Miss Blue Eye 1990 Ashley Fredrick and Little Miss Blue Eye 1990 Miranda King were among the continuing line of beauties to come in the parade. Smiling and waving as they rode along the route in a convertible furnished by Coggins Car Sales.

Miss Blue Eye 1990 Christy Morgan was all smiles and loveliness riding along in a 1965 GTO Pontiac, that was driven by Marvin Hayes.

Miss Stone County 1990 Amy Kimes was adding more beauty to an already pretty 1982 Z28 Camaro driven by Alan Sharp of Blue Eye, Missouri.

The Southern Stone County Fire Department came by next with the siren sounding and lights flashing. The fire truck was driven by Fire Chief Edwin McCreary. Riding on top of the firetruck was Jim Gilbert along with his children and Cody Bowers was riding atop the truck too. They tossed candy to eager onlookers and sweetened the day.

Beauty, loveliness, attractive, cute and just down right gorgeous are just a few of the ways to describe the ladies that adorned the next entry in the parade. The contestants for the 1991 Blue Eye Beauty Pageant. Boy, can these girls ever make a flat bed trailer look good.

The Scouts of Pack #188 from Green Forest, Arkansas did us the honor of marching in the parade. They were lookin' good and stepping proud.

The First Baptist Church of Blue Eye, Arkansas was the next to add to the parade. Johnny Bilyeu's 1941 Chevrolet pickup began the church's entry. Reverand Freddie Blevins was Johnny's co-pilot and the float followed. The theme of their entry was "Presenting Christ for all ages in a troubled world". Very nice presentation.

The new coat of paint had Jack Hugh's 1951 John Deer tractor looking better than ever. Thanks to Jack for once again reminding us of the proud traditions of the American farmer.

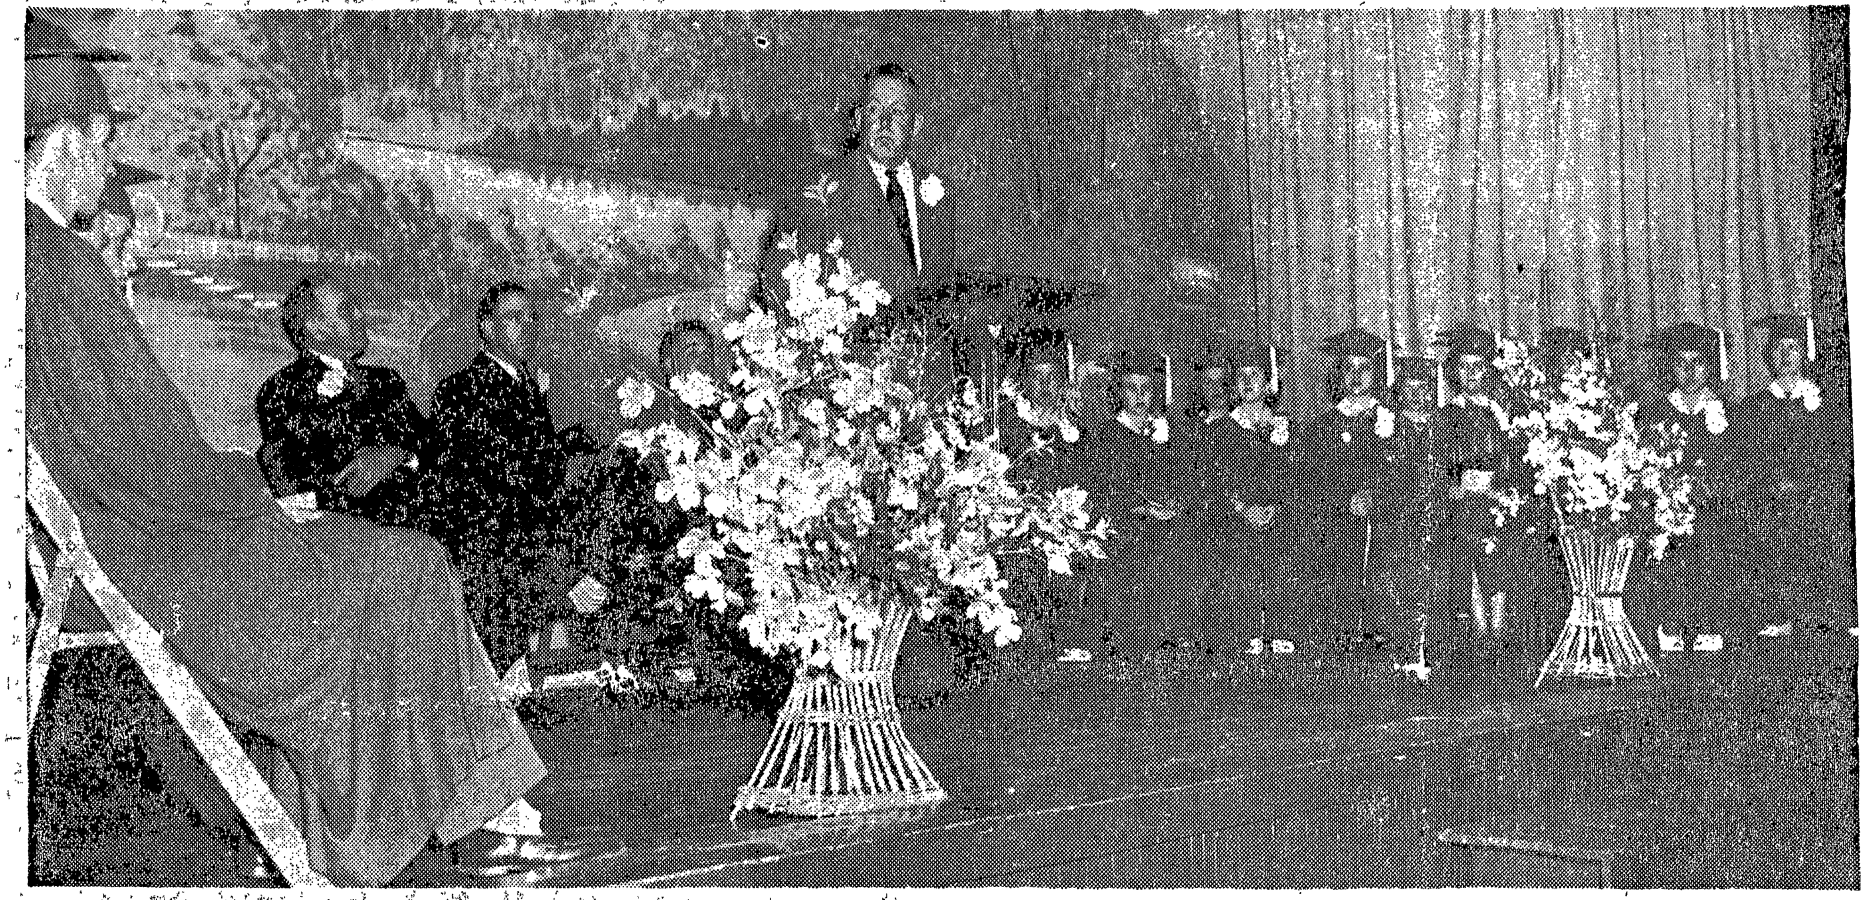
It's Ozarks Graduation Time Again . . .

April 27, 1952

By DALE FREEMAN
Photos by Betty Love

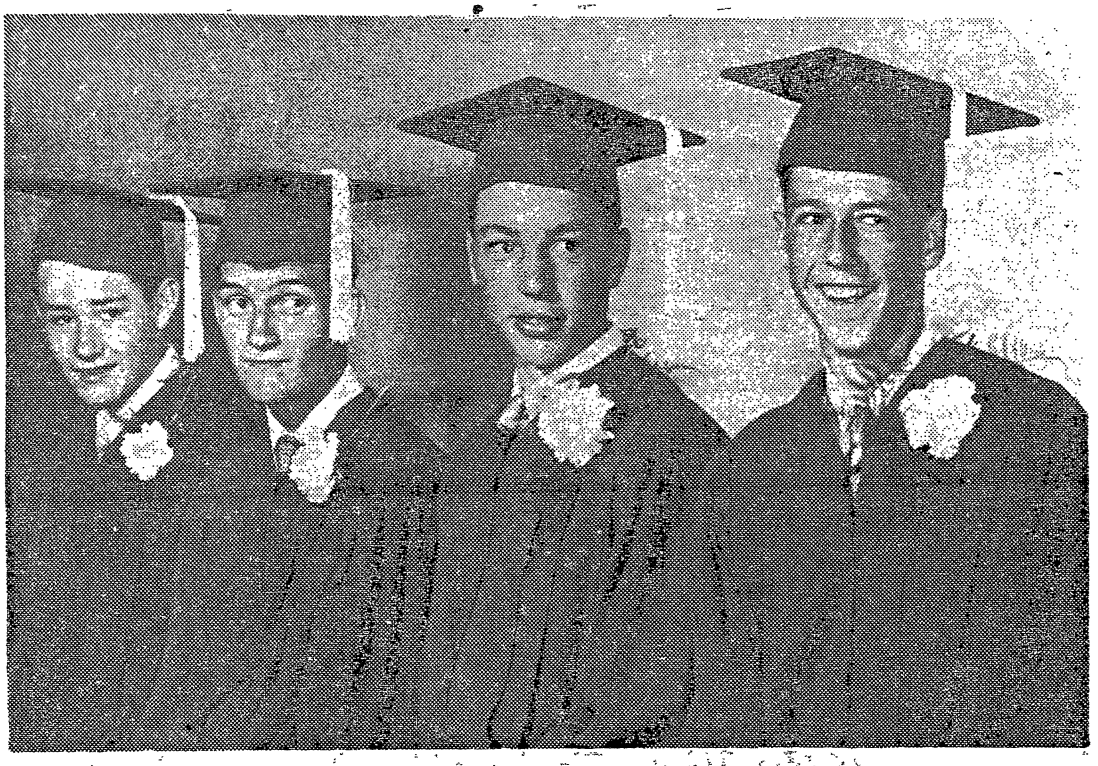
In scores of Ozarks schools within the next month, hundreds of happy - frightened-cocky-sorrowful-relieved students will take part in one of the biggest events of their lives—graduation from high school. It's a universal feeling in most schools—where giggles, guffaws, tears come faster, welcome graduation gifts pour in, robed graduates become closer friends than they had been in 12 previous years. It's commencement time in the Ozarks, with the signing of memory books ("Good luck Joan, from your friend, Pat") becoming the order of the day. Because there is a universal air about graduation time, The News and Leader sent a reporter-photographer team to Blue Eye High school Thursday to show a typical Ozarks commencement. Though Blue Eye, half in Arkansas and half in Missouri, is smaller than many district schools, the events leading up to commencement, the preparations, the anxiety, the what-will-we-do-now feeling of graduates—and the exercise itself—are typical of what will take place this spring in other institutions. And in Blue Eye, as other places you'll see that same old look in a graduate's eyes as he clutches his diploma: "By golly, I made it!"



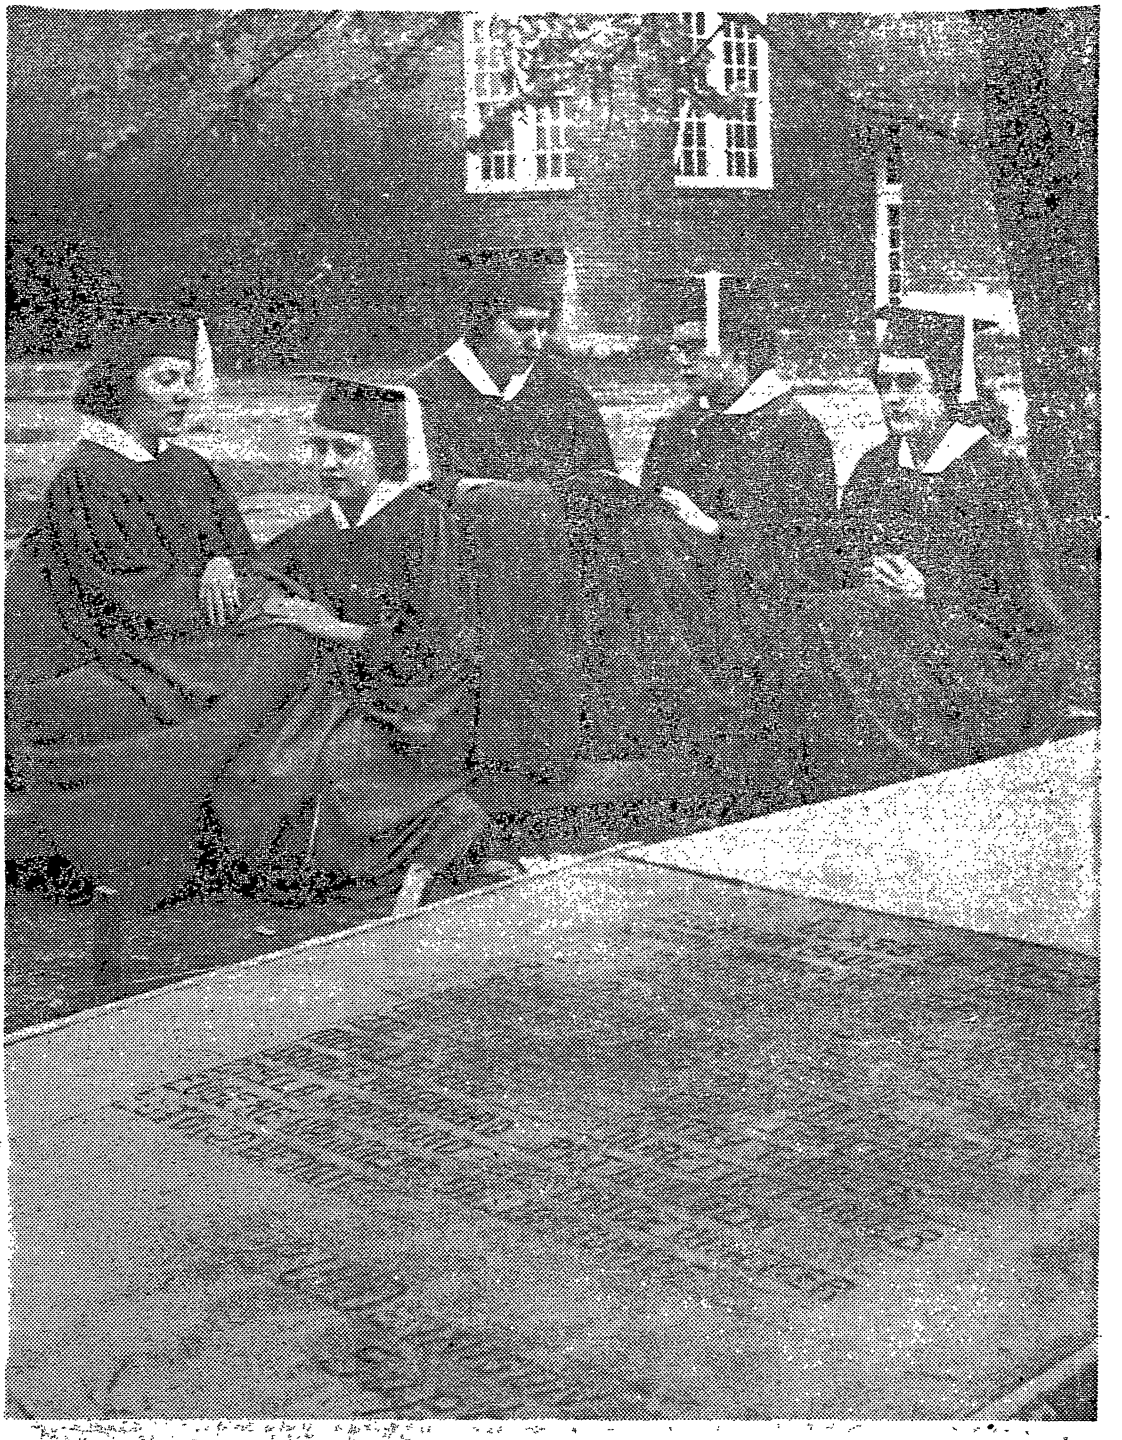
"A great uncertainty lies ahead, but you're prepared for it in a special way," state Rep. Noel Cox (above) of Christian county tells graduates and a crowd of 450 at the Blue Eye commencement exercises. Cox, a typical graduation speaker, called on the fidgeting students to have "faith and imagination and you can make tomorrow what you want it."

The 1952 Graduating class
Is the scene behind the stage the one
Mr.Eubanks painted ?

Loretta Turner (picture at right above) looks on as Janice Mayes irons out wrinkles in her blue graduation robe before commencement exercises. All wore caps and gowns, with a white carnation (even though the class flower was white rose), Loretta and Janice were among the 16 girls of the 27-member graduating class. Two of the 11 boys joined the Air Force three weeks ago and were graduated in absentia—a frequent occurence in Ozarks high schools this year. In the picture at left above, some 450 spectators stand respectfully in Blue Eye's gymnasium as members of the graduating class slowly march to their seats on a flower-decked stage.

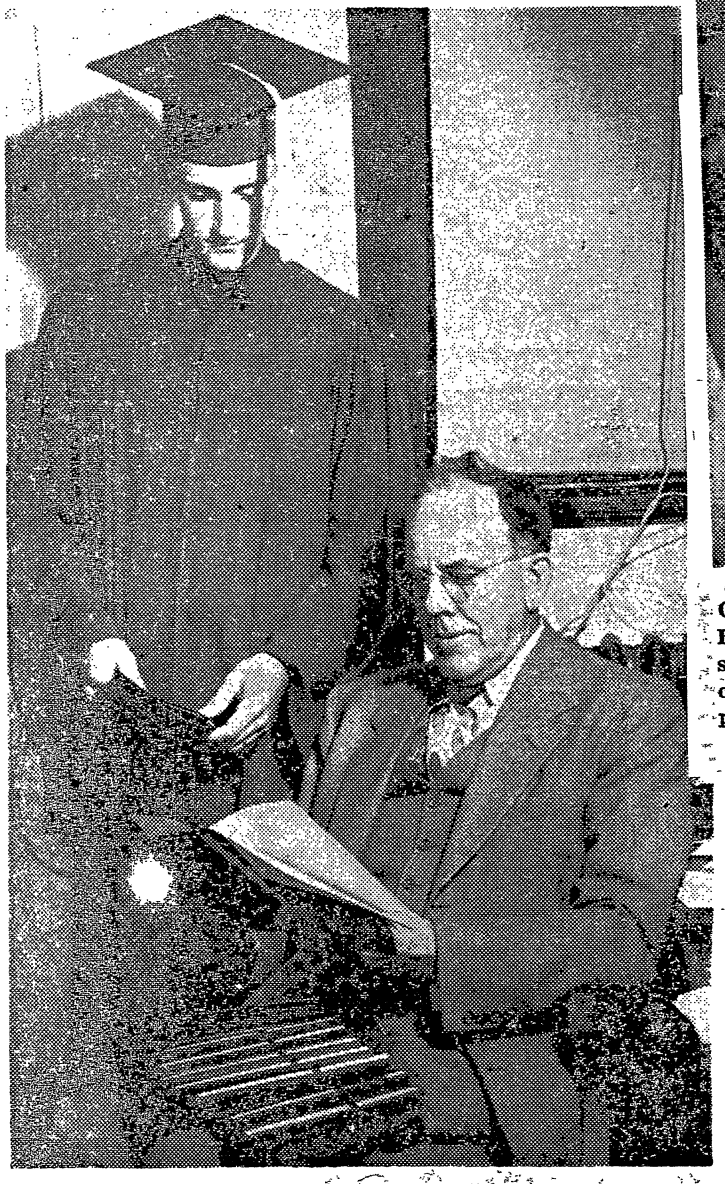


These four boys (above), decked out in their caps and gowns, are shown as they waited nervously for the commencement procession to begin. Left to right are Lynn McCullough, Dexter Reagan, Orpha Gibson and Harry Fitzgerald. In the photograph below, five Blue Eye students talk over school experiences over a coke at Parker's cafe (across the line in Arkansas) before going home and donning their Sunday best for graduation. Around the table, clockwise, are Maxine Johnson, Bill Cox, Jim Champlin, Bob Edwards and Joan Holland.



A visit to the "senior block" was a virtual requirement for Blue Eye graduates during the last day at school Thursday. Above, five girls are shown seated by the block, which carries the names of all graduates and the superintendent. Left to right are Merle Gregg, Zoe Graves, Beatrice Walker, Janice Mayes, and Eutona Hedrick. Several members of the class of '52 plan to attend college, others will farm, some will become housewives in the very near future and still others are heading for the Army. Two girls in the class already are married.

One of the busiest graduates at Blue Eye Thursday night was Billy Booker Cox, (above) who played a trumpet solo, made the salutatory address and received a scholarship to Southwest Baptist college at Bolivar. Young Cox, a cousin of the valedictorian, explained in his speech that "we're aware of the fact we don't know everything there is to know .... but we have ambition."



Though he needn't worry about passing marks, Jimmy Cox Champlin (above) checks over his diploma with Superintendent Ralph Dennison in the "office" at Blue Eye. Jimmy, top ranking student in the class, won a scholarship to SMS. In his valedictory address, he told how all graduates are faced with the same challenge: To be builders. "And we already have a firm foundation," he pointed out.

The big moment—one she's been waiting 12 years for—is at hand for pretty Blue Eye High school graduate Faye Anges Taylor (above) as she receives her diploma from Cue Butler, president of the board of education. At the same time, Miss Taylor switches the tassel on her mortarboard from left to right side—mark of the new graduate. Other students wait anxiously in the background for their names to be called.

Filling in with an other picture that we need names on. Could be a Carpenter or Flowers group.

I didn't get a date of this picture/or grade.

FRIENDSHIP QUILTS

How many of you ladies have a friendship quilt in your family? A lot of these quilts were made in the 30s & 40s. Each of your friends & neighbors would make a quilt block. Some were a pieced block with the name embroidered in center of block.Most were flowers embroidered along with name.I've seen some of the most beautiful hand work. They make a great keepsake but you don't want to use them. The quilt we have is pieced with these names.My Moms quilt has some first names only and some initials.These are as listed:

R.H.C.	Julia (Melton or Carpenter)
Bessie (Taylor)	Oma (Kellett)
G.H.	Ora (Hammonds)
V.A.(Viola Avery)	E.M.Kellett
F.A.S.	Ruby Hollars
H.S.(or S.H. Snoda Hammonds)	Elma Jackson
Gladys (Stephenson)	Golda Tibbets
Ella Jackson	Pauline (McCullough)
S.W.	Lura Nelson
O.W.(Opal White)	Mable (Carpenter)
E.N.	Gladys Taylor
Wilma Hammonds	Anna Vee (Stephenson
Edith Avery	Norma Lee (Stephenson)

Dallas & Bonnie White found some beautiful emdroidered blocks in the attic of the Charles & Macie (Carpenter)White home,after Macie died. They can only guess who they were made for, Bonnie thinks they were made for Macie. At any rate, they were never put together and quilted. Bonnie & I returned the blocks to the person who made them or the family of.

Edith Avery(Had nice Thank-you note)

Lou Baker (Mailed to Kermit Baker,had nice Thank-you and some history of the family.Lou's maiden name was Spiney,she was from Ky. She married Ollie Baker. They had 5 ch.,Lois died at age 2, Kermit, Rex, Johnnie Faye & Edsel.Ollie died in 1952 & Lou died 1976. Kermit lived away from Blue Eye since 1935.Kermit said he grew up with Macie Carpenter in the 1920's & early 30's.I was glad to get this information.)(Kermit lives in Grand Junction,Co.

Martha Avery (Sent block to grandson,Clifford Williams, no answer.

Beatrice Reagan (sent block to her,had nice thank-you note.)

Ruby Hollars (Mailed to Denver with wrong address.Will get Ruby's block to him later.)

Opal White (SEnding to Opal,She lives in Kansas City,MO.)

Myrtle Cox (returning to family)

Lura Nelson (REturning to Laveta,grandaughter)

Oma Kellett (Sending to Dean Kellett,Bonnie had a thank-you note from Dean.

Jimmie Matlock (To Helen ,her da.)

Nora Humbard, (To Joyce Humbard)

Algie Carr (Gave to Donald White,nephew)

Alice Taylor (To Jimmie White, nephew)

Rhelda Butler(Ray White,Nephew)

May Mennick (Robert White, nephew)

Lura Carr (To Robert White,Grandson)

Friendship quilts cont.

We want to think Bonnie White for her help & thoughtfullness in returning these blocks, Velva Hudson for sending us the address for Kermit Baker & all who sent notes. Blocks may have been about 1933.

Another beautiful quilt was made for Bessie Taylor. A couple of years ago Bessie gave this quilt to Sylvia (Taylor) Graves, her niece. Sylvia is so proud of it, as she should be, the quilt is a great keepsake. Bessie didn't do hand work, We think Viola Avery did the quilting, she was a neighbor at that time. The names on this quilt are:

Arvilla Fultz	Mae Pascoe
Ila Butler	Lucille Avery
Margaret Stephenson	Mrs. Scott
Lizzie Shipman	Martha Avery
Glenna Matlock	Edith Avery
Mae Butler	Oma Kellett
Lura Nelson	Dessie Matlock
Jimmie Morris	Verble Martin
Opal White	Bertie Butler
Nile Matlock	Viola Avery
Myrle Butler	Dee Matlock
Gladys Keeland	Della Randolph
Algie Carr	Alise Taylor
Ruth Avery	Mother (In center)
Iva Avery	Margaret Pascoe

We wonder who the Mother was for here ? Was made before Jimmie married Matlock & after Lucille Pascoe married Avery.

(Note from Joyce Humbard Dickinson)
"To Bonnie White,
Your letter and the quilt block was a very plesant surprise. I appreciate you thinking of sending it to me. I think I will put a matte behind it and frame it. My Aunt Mae was here and she said they made several friendship quilts around 1934. She said they would take the blocks to church and pass them around to friends to make with their names.
Thanks for being so thoughtful,
A Friend, Joyce Dickinson "

SHARE AND CARE

I share each harvest of my friends
With folks in greater need
And share the labor, in my hand
To pluck a Neighbor's weeds;
And, every day , in a different way
I try to do my best
To help my neighbors and friends
Through heartaches of distress.

But, it is not without some pain,
I do the things I do,
For there are times I give too much
And times , I suffer too,
Yet, at the end of every day ,
I feel A joy of heart
That I have shared God's gifts to me
With those of lesser lot.

Mules Never Change

By Jim Long

Willis Cary has farmed on the Missouri-Arkansas border for all of his 83 years, and he counts himself fortunate for his spot of earth. He has watched many changes take place in the Ozarks countryside from his roadside home, and on one recent day he sat under a black walnut tree, whittling and watching neighbors come and go on their daily trips to town.

Some of the changes that Cary has witnessed involve farming practices. He says that he grew up on a farm just up the road about a quarter of a mile from his current home, and he has fond memories of how his family raised everything they needed, for the most part. Blackberries sold for 10 cents a gallon, and their peach and apple trees had fruit every year. Now, Cary says, with the weather changes, sometimes there will only be a fruit crop every three years. Even the wild plum thickets that Cary picked from as a boy seem to have only occasional crops. However, Cary speaks of the faithful old mulberry in the deep ravine behind the house. He remembers standing in his back yard not too many years ago, looking down into that ravine behind his house and watching a black bear breaking limbs off the mulberry tree. The bear broke several fairly good-sized limbs from the tree and stayed there eating long enough for Cary to call his wife, Anthrea, to come watch.

Of course, Cary's family raised other crops in addition to their fruit crops, and draft animals played an important part in helping the family in the field. His father farmed with mules and horses all of his life, raising mainly corn, sorghum and wheat. The mules furnished the power to plow, and later they pulled the planter. They also cultivated the crops and pulled the wagons for picking the corn or bringing in the shocks of wheat. The wheat was then thrashed, cleaned and bagged. When time allowed, Willis would go with his father and brother to Yocum Mill on Yocum Creek to have the wheat and corn ground into flour and meal. The team of horses would pull the wagon to the mill and back, but the family used the mules for most of the production of the crops.

Willis Cary and his faithful mule, Jack, work on the Ozarks farm they call home.

The mules were involved in sorghum making, too. Sorghum was always a staple of the Cary household, and Cary's father taught him about sorghum making. Cary still recalls the hours of keeping the mule moving in a circle around the sorghum press that squeezed the juice from the stalks of cane, and of tending the fire while he skimmed the foam from the cooking liquid. Cary says that in one good year, the family processed 600 gallons of sorghum molasses, and the gallon cans had to be ordered ahead of time. He laughs as he remembers going into town with his father to pick up the cans and seeing how there seemed to be endless crates of them stacked in the wagon. Cary recalls the pleasure, too, of finally filling the cans with the dark golden syrup, and he fondly remembers how good the molasses tasted on hot biscuits! The family sold the sorghum as part of the farm's income, and the price for a gallon back then was 50 cents.

The mules even had a part in social gatherings when Cary was growing up.

He remembers how, in the summer during blackberry season, neighbors would come to the Cary place in wagons and camp for a day or so to pick berries from the family's wild berry field. The men would look over the stock, sometimes trading mules or helping break in a young mule to work. The mules took an even hand and some patience to train.

Carey has pared his farming down in recent years, but he still has a mule named Jack that has been with him for 16 years. Carey bought him when he was young and already partially trained to work. Carey uses most of his hillsides for pasture, but he and Jack still care for the garden, which produces pumpkins, squash, potatoes, corn and tomatoes for Anthrea to can and preserve, and for a little corn patch. "A mule can tell where things are," Carey says. "They'll step over the winter onions and plow a nice row beside them, but once in awhile Jack will get stubborn and step right in the middle of a rhubarb plant." In spite of Jack's occasional temper, tractors and tillers just don't discern between plants like he does.

The mule looks sleepy-eyed and wouldn't appear to be much help, but with Cary behind him holding the reins, the plow turns over the fertile, rocky soil with amazing progress. They plow up the garden in spring to turn under the winter's weeds, then plow it again at planting time. The corn has to be hilled up when it's about knee-high, and Jack walks carefully between the rows, not breaking a stalk.

Farming practices may change over the years, but mules don't. Cary's mules have served him well over the years, and Jack continues to be the mainstay of the Cary garden. Walking steadily along, unchanged with the times, the mule is the best tiller invented yet. Seldom complaining, always starting, never requiring an oil change, the work mule is reliable.

Of course, Jack still occasionally gets headstrong and steps on a rhubarb, but some things will never change. •

Willis Cary, son of Edward and Ellen Cary, married Anthrea Landon daughter of Joe and Effie Landon on December 21, 1926 in Oak Grove, Arkansas.

They lived in a 2 room house that Willis and Joe built near the Missouri line on the Brush Creek road. They were blessed with a daughter on April 6, 1928 which was Emma Jean.

There were 2 cows to milk so they could sell the cream at the J.D. Morris grocery store in Blue Eye. The skimmed milk was fed to the 2 hogs. They raised crops of corn and everything they ate except the basics which was bought with cream and egg money.

In March of 1934 they packed the 1928 Buick Touring car plus $35.00 and headed to California to get rich. After having to camp on the side of the road to sleep and cook, they reached California in about 6 days and nights. Anthrea wrote to her father for some money to continue. Joe Landon sent them $5.00. That bought food and gas until they found work. The family lived in a old shed on the peach orchard that they worked in. When the owners parents came Willis and Anthrea had to go to the grape fields. Anthrea can remember that the most she and Willis made in one day was $8.50. When the grapes were over they returned to Arkansas which was 1936.

The Cary family lived on the Cox place when Donald Joe was born in 1938. Between 1938 and 1944 Willis worked for Mr. Garrett setting up at night with the sheep. He worked for 31 nights and Mr. Garrett wouldn't pay him. Willis then worked for people around the country and raised crops to support the family.

They then moved to the Rich Ball place in Missouri. Raising tomatoes, corn, and sold cream and eggs to buy what was needed Two more children were born which was Ronald James in 1941 and Sandra Sue in 1944.

Finally a place of their own was bought in 1944. In 1945 Willis felt that maybe in Texas he could provide for his family better. Willis worked at Randolph Field Air Force Base, hauling garbage off to feed hogs for John and Ward Center.

But something kept drawing Willis and Anthrea back to Arkansas. This was home and no other place was the same. When they got back home they sold the place and bought where they live now. A one room, lean too, log house was built Tomatoes, cucumber and strawberries were raised for cash. A large garden was raised for canning food for winters. Two more children were born Wyndell Judge in 1947 and Syble Jayne in 1951.

On August 1, 1952 Willis, Anthrea and the children had gone to Red Plotts to see the new baby when the men seen that the Cary house was on fire. When they got home the log house had burned. Nothing was saved not even the money they had, which was hanging behind the door in Willis's coat pocket. Thanks to all the wonderful neighbors and friends helping , a new house was built and furnished. This is the house they live in today.

Milking cows and money making crops became a way of living. Willis went to California and worked some leaving Anthrea and the children home. When all this got to be too much Willis drove the school bus for the Green Forest Schools. This is what he did until he retired in 1975.

Its been a long hard road Willis and Anthrea Cary have traveled raising their six children. They have had experiences that the younger people only see in movies and think how awful it would be to live in this way. But Willis and Anthrea have memories that are wonderful and priceless. And to this day they like to set in rocking chairs and think back on those days when life was rough but simple. When you could go to Blue Eye on Saturday and set in the park and visit with family and friends, remembering when $5.00 would buy enough supplies to last up to a month. Willis and Anthrea have given their children, 11 grandchildren, 13 great grandchildren some wonderful memories that can never be replace. They want to thank the people involved in having the Blue Eye Reunion each year to help with those memories.

FOR ALL OF US BORN BEFORE 1945... BY RUE WHITE, CARMICHAEL, CALIF.
CONSIDER THE CHANGES WE HAVE SEEN.

WE WERE BORN BEFORE TELEVISION, BEFORE PENICILLIN, BEFORE POLIO SHOTS, FROZEN FOOD, XEROX, PLASTICS, CONTACT LENSES, FRISBEES, AND THE PILL.

WE WERE BEFORE RADAR, CREDIT CARDS, SPLIT ATOMS, LASER BEAMS, AND BALL POINT PENS. BEFORE PANTYHOSE, DISHWASHERS, CLOTHES DRYERS, ELECTRIC BLANKETS, AIR CONDITIONERS, DRIP DRY CLOTHES--- BEFORE MAN WALKED ON THE MOON.

WE GOT MARRIED FIRST AND THEN LIVED TOGETHER. HOW QUAINT CAN YOU BE?

IN OUR TIME, CLOSETS WERE FOR CLOTHES, NOT FOR COMING OUT OF ... BUNNIES WERE SMALL RABBITS AND RABBITS WERE NOT VOLKSWAGONS. DESIGNER JEANS WERE SCHEMING GIRLS NAMED JEAN OR JEANNE, AND HAVING A MEANINGFUL RELATIONSHIP MEANT GETTING ALONG WITH YOUR COUSINS.

WE THOUGHT FAST FOOD WAS WHAT YOU ATE DURING LENT, AND OUTER SPACE WAS THE BACK OF THE RIVIERA THEATRE.

WE WERE BEFORE HOUSE-HUSBANDS, GAY RIGHTS, COMPUTER DATING, DUAL CAREERS AND COMMUTER MARRIAGE WE WERE BEFORE DAY-CARE CENTERS, GROUP THERAPY AND NURSING HOMES. WE NEVER HEARD OF FM RADIOS, TAPE DECKS, ELECTRIC TYPEWRITERS, ARTIFICIAL HEARTS, WORD PROCESSORS, YOGURT, AND GUYS WEARING EARRINGS. FOR US TIME-SHARING MEANT TOGETHERNESS---NOT COMPUTERS OR CONDOMINIUMS: A CHIP WAS A PIECE OF WOOD: HARDWARE MEANT HARDWARE, AND SOFTWARE WASN'T EVEN A WORD.

"MADE IN JAPAN" MEANT A PIECE OF JUNK AND THE TERM "MAKING OUT" REFERRED TO HOW YOU DID ON AN EXAM. PIZZAS, McDONALDS AND INSTANT COFFEE WERE UNHEARD OF.

WE HIT THE SCENE WHEN THERE WERE 5 AND 10 CENT STORES, WHERE YOU BOUGHT THINGS FOR FIVE OR TEN CENTS. FOR ONE NICKLE, YOU COULD RIDE A STREET CAR, MAKE A PHONE CALL, BUY A PEPSI OR ENOUGH STAMPS TO MAIL ONE LETTER AND TWO POSTCARDS. YOU COULD BUY A CHEVY COUPE FOR $600.00 BUT WHO COULD AFFORD ONE: A PITY TOO, BECAUSE GAS WAS 11¢ A GALLON.

IN OUR DAY, CIGARETTE SMOKING WAS FASHIONABLE, GRASS WAS MOWED, COKE WAS A SOFT DRINK AND POT WAS SOMETHING YOU COOKED IN. ROCK MUSIC WAS GRANDMA'S LULLABY AND AIDS WERE HELPERS IN THE PRINCIPAL'S OFFICE.

WE WERE CERTAINLY NOT BEFORE THE DIFFERENCE BETWEEN SEXES WAS DISCOVERED, BUT WE SURELY WERE BEFORE THE SEX CHANGE! WE MADE DO WITH WHAT WE HAD! AND WE WERE THE LAST GENERATION THAT WAS SO DUMB AS TO THINK YOU NEEDED A HUSBAND TO HAVE A BABY!

NO WONDER WE ARE SO CONFUSED AND THERE IS SUCH A GENERATION GAP TODAY! BUT WE SURVIVED!!! WHAT A REASON TO CELEBRATE.

Does anyone know anything about a Drain Ferry? I've heard a man by the name of Drain operated a ferry on White River between Kimberling Bridge and the Table Rock Dam. Does anyone know about this? We would like information.

NELSON MEMORIES from Opal Nelson White

This spring Opal White & I exchanged letters ,She telling me things she remembers about our Grandparents, Willis & Mary Jane Brown Nelson. Willis & Mary Jane were Opal's grandparents & my great great grandparents, Willis is 8 generations down from my Greatdaughter,Jessi Clevenger. Opal telling me things Willis & Mary Jane did ,just in everyday life, is very interenting to me.

The Willis Nelson family lived East of Blue Eye ,on the Mo. side of the Mo.-Ar. line.The John Nelson home, Opal's parents,was near,only Notth.

Opal remembers The Nelson's,her grandparents,living in a 3 room log horse, a big fireplace in the living room. This is where her grandmother would bake great bread in a Dutch ovev. On the farm they had horses,cors,sheep & guineas.Seems the guinea didn't like laying their eggs in the chicken house.She remembers hunting the guinea nests. The guinea was all dark meat but tastie to eat. The eggs were smaller than hen eggs with dark speck.

She remembers picking Gooseberries & Huckleberries as well as polk greens with her Grandparents. Remembers the lovely new quilts inthe hall cabinate, and she loved the day her Grandmother made soap. Mrs.Nelson was pickie about her dish towels, Opal thinks Oma,her sister,must have taken after their grandmother along this line. Grandmother Nelson would hang them on the fence or spread them on the grass for the sun to bleach them.

The kitchen was swept as regular as the noon dishes were done. Then Grandma would get her a chew of tobacco and set in the shade with Mr.Nelson. Opal says she can just see her now, in her waist apron with big pockets, telling her about the Good Book. She would say keep reading the Good Book for a way of live , it would keep you on the right track.

I think this will be interesting reading for little Jessie, my 14 month old greatdaughter when she grows up,She's pretty smart now but she can't read(She may can type as good as me.)

Thanks to Opal, She,Oma & Ira & Hazel Nelson have all helped me with the Blue Eye History & Memories.

Best Wishes,Opal,
From Anna Vee Stephenson Avery

I think this is one of the Carpenter girls, maybe Macie & Ruby Newman next ,Who are the other 2 ?

We thought This might be Harve Hudson. Open for correction.

From what I can read on the back of this picture, It is Ira Rider & son, Troy.

This one says"your old uncle and Troy's baby, Donna Lee." Maybe Ira & his grandaughter.

Mr. & Mrs. Johnie Snowden
Johnie , son of John & Modena Drahn Snowden married
Velma , daughter of Frank & Ida Blye,
17 Apr. 1933.

I thought they told me they had 15 children , but I only have names & birth dates for 14. They had 3 sons in Vietnam at different times. They have lost 2 sons & one grandaughter.

Main street, looking south toward Arkansas.

1994 / 14th. Annual Blue Eye Reunion

The reason stated in our by-laws , for having the Blue Eye Reunion is to "Reunite Old Classmates & Friends" . I believe we accomplish that each year.

The Committee consisting of Norma George, Randy High, Pam Sheridan, Timmy High, Imogene High, Mary & Archie Swofford, Jerry & Kitten Kerns, Leah Morgan, Ann George, Sharon Morris & Anna Avery this year, wish to mention other accomplishments other than helping make an enjoyable day for all.

The 1st. year we had to have an electric meter ,box ,loop etc. put on a post, then ofcourse we have the electric bill each year. We pay about $100.00 a year for a place to have our meetinga. We use the Saddle Club Building when we can, we used the Lion's Club building a few times last year.

The next year or so ,we bought the storage trailor, built booths & steps to get on the stage.

We planted a dozen new trees in the park , I believe all are living & growing, we should have lots of shade some day. We did not cut down any old trees. I thank they did some trimming & cut out some dead limbs.Edell Huskey is responsible for the tree living , he saw that they were watered that 1st. year and wrapped the year they were accidentally damaged by a weed-eater.

WE don't have money making projects, we have the"Dime Pitch"&"Spin & Win" for the children & young at heart. Last year the little kids enjoyed a "Duck Pond" . WE collect items all year for our games, glassware from garage sales, etc. We would appriciate donations along this line. We sell T shirts & the "History Collections" booklets and make a little money if we don't buy more than we sell.

We had a Beautication Program one year to try to encourage clean-ups & lawn emprovement. We gave 4/ $100.00 savings bonds as awards.

I'd like to mention here , the man who bought & cleaned up the lots on the Ar. side, across from the old Head Station, has compliments from all our committee .

Cont. from page 1:
We have given a $50.00 savings bond to a Blue Eye Grade school student who has the highest grade average for the year, for several year.

WE gave $25.00 to Mt.Olivet Freewill Baptist Church one year for use of their church when the Pageant was rained out on the square.We need to thank this church too, for letting the girls in the pageant use their rooms for dressing.

WE do all the collating & hole-punching , covers & Labels, on the books to keep the cost down. We make 300 ea.year, always have a few left. We do have all bach copies. WE do need pictures , stories & genealogy from more families in the Blue Eye area.

This year we are moving the elec tric meter so we won't have an extension cord across the road. It causes some trouble every year.

THis year also, we are trying for some concrete tables in the square. We have enough money for the tables but it costs so much for the slabs to set them on.

Any funds left ,in case of dissolution , will go to the Blue Eye Memorial CEm.

634 signed the register in 1993, I wish everyone would register. We wish to say thank-you to Becki Youngblood for taking care of the registering.

Last year we had a suggestion box.
Had the most for a Gazabo, which was 6. (We got an estimate ,way too much money for us alone. then 3 mentioned indoor toilets, 2 drinking water , 4 benches , electric inside of square , decorate float (for the pageant I thank) in parade better, had 2 compliments on a band last year & 2 or 3 on the paint on the curbs. Had 2 suggestions to decorate the park at Christmas. There was 4 who would like to see the old Mo-Ark Academy restored for a community center.

Thanks for the suggestions, we wish we could do them all.

We has a quilt display last year that drew lots of interest , was asked to do one this year. I believe other people had Friendship quilts they wanted to show . Thanks to Bonnie Martin for showing the quilts.

WE missed Pauline White last year. No one remembered to ask the area newspapers for a gift sub. Pauline had always done that for us.

The toilets we do provide costs $70.00 each. But thats the best we can just now.

Thank-you for last year goes to many:
Eldon McQueary & Bill Groves brought 4 tables & 15 Chairs from the Highview Church, thanks to them & the Church.

Some of the Stateline Crusers did a lot of work getting the square to look nice, how many remember the 1st. year we came to get ready for the reunion, we had to cut brush,pick up all kinds of junk,? It took a week. Last year the Cruser painted the curb , mowed,etc. Leroy Tharp furnished some of the paint & helped paint,

Thank-you also to :

Rick & Randy Huskey with Kirt Straw put the Blue Eye Reunion banner up & took it down. Edell took it back to the trailor for storage.

Randy Huskey pulled the trailor to the square for us & J.D.Stephenson pulled it to our place to park for the winter.

Myrl Badley loaned us the trailor we use for a stage again.

Sharon Morris picked up trash , She & Edell loaded trash for some time, before the Pageant.

Bill Snowden did most of the M.C. work this year , Ann george did the parade introductions.

Aubrey Stephenson & Paula Wells helped with "Spin & Win " along w/ Sylvia Graves, Norma George, Ruth Murray, Linda Lewis.Also Becki Youngblood helped with the wheel as well as the registering booth.

Anita Brake & her da.,Brandi, work the "Dime Pitch" ,even little Jessica picked up dimes for a spell.

Jean Morgan sold Books & T Shirts, Also randy High, Betty Quincy, Leah Morgan, Crystal Rinker, Norma George & Anna Avery helped with this booth.

Thanks to the bands & groups who sang.

We didn't get many pictures of the girls in the "Miss Blue Eye" Pageant in 93.
We will include pictures of all the girls, if parents will get them to me.
Get them to Anna Avery or Norma George or send a copy to P.O.Box 44 at Blue Eye. The pictures will be returned after the booklet is finished.

4TH ANNUAL BLUE EYE REUNION PARADE

It's 9:00 a.m., September 4,1993 and the participants are here. She has her line up sheet and begins the chaotic task of organizing everyone to start the parade. Who is our offical "organizer" and master of turning "chaos" into a terrific parade. Ann George is our lady of the day. With clip-board and pen in hand she tackles her mountainous task.

The first in line --- The Carroll County deputy from the sheriff's department in Berryville, Arkansas. He has his lights and siren to announce the parade is coming.

Then our "Color Guard". (My but they look handsome, there's just something about a man in uniform.) Roy "Bimbo" McCreary carries the flag for the USA. Harvey Gilbert carries the Missouri "Show Me" state flag. And last but not least, Reggie Blevins carries the Arkansas "Natural State" flag.

Next is the banner that proclaims "13th ANNUAL BLUE EYE REUNION". The two lovely girls carrying the banner are Carrie Hartse and April Gilbert. Dressed in their clown suits they are a very festive sight to behold.

GRAND MARSHALLS--- Edell Huskey, Norma George and Anna Vee Avery. These people have reached this achievement only thru years of dedication to making the Blue Eye Reunion the wonderful celebration it is. As they ride in the parade they can be sure that they are loved and appreciated.

The firetrucks (what would a parade be without them) are to follow. First is the Oak Grove, Arkansas fire department. Randy Sooter is the driver of their number one truck and Steve Allen is driving the second truck with the "Missionettes" from the Oak Grove Assembly of God Church aboard. The Southern Stone County Firetruck with Chief, Edwin McCreary at the wheel and Cody Bowers and Greg Stanley and other members and Candy-tossers aboard. We are very impressed with them all.

1993 Contestants for the "Tiny Miss", "Little Miss", "Junior Miss", and "Young Miss" Blue Eye ---- are all pretty as a picture as they make their transformation from young girls with fun for a main concern into beautiful ladies that grace the pageant stage. To assure the merriment of their ride, a clown (Christian Wings from the Church of Restoration, Lampe, MO) has hitched a ride on their float.

"Tiny Miss Blue Eye 1992", Brandy Lasseter, daughter of Tim and Terri Lasseter of Blue Eye is the first of the reigning beauties to appear in the parade.

aunt Ruth Davis's granddaughter

"Little Miss Blue Eye 1992", Kesha Davis, daughter of Cleva and Jerry Davis of Shell Knob, MO, adds to the good looks of the red convertible she rides thru the parade as her chariot.

"Junior Miss Blue Eye 1992". Sierra Sheridan, daughter of Pam Sheridan of Blue Eye is a true vision of beauty as she sits in a shiny blue car for her ride thru the parade route.

"Junior Miss Blue Eye 1992", Casey Guest, daughter of Wayne and Vickie Bolden of Lampe, MO, rides in a bright red new pickup. The pickup is pretty and shiny, but can't compare with the beauty of Casey as she smiles and waves.

"Young Miss Blue Eye 1992", Venessa Johnson, daughter of Joe and Vickie Johnson of Blue Eye, ARK, looks absolutely radiant as she rides along. She is a true beauty.

Melissa Nelson, contestant for the 1993 Tiny Miss Blue Eye, is next in line. She is riding in an antique pickup that is owned by Bob Edminson of Berryville, AR and is driven by Martin Nelson. Martin and Brenda Nelson of Oak Grove, AR are the proud parents of pretty Melissa Nelson.

Our final beauty queens are: USA's, "Ms. Elegant Missouri", Mary White of Blue Eye, MO and USA's, "National Over-All Most Beautiful", Emily Tibbets of Blue Eye, MO . Not only are these ladies nice to look at, but they are also beautiful at heart.

"B H S, is the best!" "B H S, is the best!"; declare the Blue Eye High School Cheerleaders, Suzanne George, Melissa Ortman, Amanda Jones, Lakesh Bailey, Stephanie Pickle, Christie Morgan, Elizabeth Mountain, Catherine Long, Amanda Wyatt, Angela Stanley, and Amanda Sharp with their sponsor Angie Bressler.

Under the direction of band leader John Caseborn, the members of the Blue Eye Bulldogs Marching Band marches along the parade route. The band adds so much to the parade and we are indeed pleased to have them.

Troop #94 Cub Scouts and Troop #94 Boy Scouts accompanied by five of their troop leaders march along the parade route. Troop #94 is sponsored by the Methodist Church of Blue Eye, MO. We are proud to have such fine young people in our parade.

A fleet of 4-wheelers has added to the excitement of the parade. Some of the riders were: Jennifer Lippe, Kenny Howerton, Dustin Lippe, Jeff Matlock, Jordon Badley, Dwight Badley, Justin Blevins, Jarid McGlothlin, Noah McCreary, Jared Lasseter, Summer Hutchison, Eric Palmer, Chris Huskey, Brandi Huskey, Joanna George, Dwayne Mann, Dwight Mann, Ashley Hayhurst, Misty Pinkley, and Megan Tegan. We even had a go-cart driven by Brandon Coleman. Some of the bike riders that rode along with the 4-wheelers were Cody Parton and Ashley Parton.

A miniature "Tin Lizzie" driven by Tylina and Robert Harrison, Jr. and created by Allen Harrison of Blue Eye was one of the original creation in the parade. They are truly a crowd-pleaser.

The Original State Line Cruisers of Blue Eye, Blue Eye's own car club, are the next in line. Thanks to the very capable organizational skills of Jerry Kerns, the club's president and founder, there is another excellent group of cars for this year's parade.

The line-up for the State Line Cruisers began with the club's banner. The banner was mounted on a trailer furnished by club members Nick and Becky Culp of Blue Eye. The trailer was pulled by a 4-wheeler owned by Joel and Kim Parton of Lampe, MO and driven by Amanda and Kasey Parton. THEN CAME THE CARS:

This was a very nice selection of cars, and we wish to thank the owners/drivers for participating in the parade.

The Blue Eye Saddle Club was to follow the cars. The USA flag was carried by Eugene Phillips and the club banner was carried by Bryce Marshall. Several members rode their horses in the parade. Some of the members who took time out to be in the parade with their beautiful horses were: Brandon Phillips, Craig Phillips, Anthony Phillips, Gary High, Jason Tibbets, Chad Phillips, Kimberly Badley, Travis Tibbets, Harlin Tibbets, Tiffany Tibbets and Myrl Badley drove a wagon with his grandchild aboard.

A Stone County Missouri deputy handled traffic control as the parade ended. (We wish to express our thanks to both officers who helped with the parade.)

Her line-up was done, she raced to the grandstand to be sure that all participants were announced as they passed. ANN GEORGE, we the viewers of the parade, THANK YOU.

This 1953 graduating class celebrated their 40th anniversary last year with a great turn-out. All classmates through the 12 years of school were invited if they could find an address or phone # for them.

They had a dedicated committee working months before time, they had a dinner catered in at the school , which from all reports I heard was delicious. They had a chance to tour the school, the halls with the graduating class pictures from 1933 to present time, they visited a lot, made a video, had a great time.

The Committee made up a little booklet consisting of all the names & addresses they collected , these were copied and offered to each guest attending the reunion. The idea was to keep in touch!

Each year we try to feature the 40th year graduating class from the Blue Eye High School. At this date, I haven't been able to collect anything except some things I have,

The pages from a 1954 School year book are copies of copies, so they won't be very plain & I have a page from the 1945-46 year book.

If the class is celebrating their 40th anniversary I haven't heard about it.

Oak Grove Town - Site Laid Out Ca. 1890

Since we have some Oak Grove, Ar. pictures this year, I'm inc luding these 4 pages of Oak Grove from a 1974 quarterly from the Carroll County Historical Society.

Main Street in Oak Grove, Ca. 1915. Photograph made from the South on Highway 103, looking toward center of town. The attraction was a public auction sale at the Tom Newman place.

Because of meager records of the county, it is difficult to come up with an accurate account of the founding of a community. Since four courthouses have been destroyed by fire in Carroll county, no records have been found prior to 1872, the latter being contained only in one or two record books now in the Courthouse in Berryville.

Since it is known that the first three designated townships in the county were Carrollton, Osage and Prairie, the people living now in Oak Grove had as their postoffice address, and were residents of Carrollton township.

Hickory township was formed in 1870 and in 1873 it was divided and Yocum Township was created. (+)

In writing an article about Oak Grove it will be necessary to credit the community of Yocum as being the leading village when the township boundaries were set up, or soon afterwards.

The Yocum post office was established on June 8, 1882, while the first settler came into the area almost a half century before.

Recorded articles list Yocum in 1900, with 60 inhabitants and the leading community of the township.

The same year Oak Grove had a population of 25 and its post office had been established 11 years before that of Yocum, however, the town had only a Justice of the Peace and one leading store with a few houses built in the neighborhood of the general store.

Today there is little evidence, outside the old mill dam that Yocum ever existed, while Oak Grove has of recent date made considerable growth since the 1930's, while the present state highway maps list its population at 236.

Back in 1954 the editor of this publication interviewed the late I. H. Jones, a leading citizen and Justice of the Peace at Oak Grove, concerning the history of his community.

He said that John S. O'Neal, soon after the Civil War settled on what is now the site of Oak Grove.

In 1877, Mr. Jones recalled that the town consisted of one store and one dwelling which was occupied by Mr. O'Neal and his family and Mr. O'Neal operated the store and became the community's first postmaster. The date of the post office's establishment is listed as being in 1871 (information taken from microfilm records now in the National Archives in Washington, D. C.)

Mr. O'Neal died in 1888, shortly after building a new dwelling house, a store building and a barn.

Moving Day in Oak Grove, Ca. 1915. House moved from second corner north of town to field behind Tom Plumlee's home. Pictured, Roy Newman beside water wagon; John Atchley on wagon wheels; small boy in background, Gordon Newman, Evert Atchley, Roy Humbard, Arville Newman, owner of the house, and Jim Humbard.

Newman Bros. Garage Ca. 1914. Location between former Post Office building and Wayne Plumlee home. North Main on right. Building once housed old mill, Frank Shun had photo studio upstairs at one time. Pictured, Ray Newman in driver's seat of car. His brother, Arvil leaning against building. Others not identified.

Mr. Jones said that this property changed hands several times after his death, however, finally J. H. and L. R. Evans became the owners and J. H. Evans was responsible for laying out the townsite at that location.

He employed the late W. R. Phillips of Green Forest to survey and lay-out the townsite, which consisted of 16 lots, 70'x100', surrounding the center of the O'Neal homestead, in fact the O'Neal homeplace was the commencement of the building of the town of Oak Grove, Carroll County, Arkansas.

The community lost its post office in 1875, however, it was re-established in August 1876 with John T. Gibson as postmaster.

The community again lost the postoffice when it was moved to Indian Creek in 1883 remaining until 1895 when it was returned to Oak Grove with Cyrus B. Mann as its postmaster.

Mr. Jones related that Dr. R. P. Moore located at Oak Grove in the 1890's erecting a building in which his office was located, and from which he operated a drug store. His brother, James R. Moore was the postmaster from 1888 to 1894 when the office was designated as being the Indian Creek postoffice. Although Mr. Jones was under the impression that Mr. Moore was postmaster in the 1890's, a matter which is disputed by Government records.

Nevertheless at that time the community began to attract more attention and several new families moved in, more stores were established and the community became a trading center.

Early store keepers, according to Mr. Jones were John Jernigan, John Dodgen, H. Owenby, John Thornton, John Meyers, H. D. Berry, W. A. Bailey & Son, O. R. Hayhurst, J. B. Metz,

A. J. Duncan and J. W. Littrell.

In 1954, at the time of the interview with Mr. Jones, Oak Grove had three general stores: Plumlee & Callen, Alvin Atchley and Fay Humbard, all selling merchandise.

At that time the post office was located in the Littrell store building with Rena Littrell as postmistress. She is the daughter of the late Jasper Littrell who was for many years postmaster and general merchant of the town.

Miss Littrell resigned as Postmistress in November of 1972 at which time Raleigh Gardner was named postmaster and the office was later moved to its present location, the date July 1, 1974.

In 1954 other businesses included a feed mill, three garages and filling stations, three churches and a wing school of the Green Forest school district.

Mr. Jones said that back in the 1920's John

Hayes built and operated a tomato canning factory, shipping 15 carloads of tomatoes from the factory the first year it was established, while in 1922 the farmers of the community organized and built their own canning factory following which that industry was instrumental in bringing into the community many thousands of dollars.

In later years a blight hit the tomatoes and the canning industry became unprofitable and the factories closed down and were removed from the community.

Poultry and livestock became the leading industries and in 1954, three active poultry houses were operated in the town, with large brooder houses being built in the area.

With the coming of the broiler and turkey production, impetus was given to the town because of the establishment of the Ocoma Foods Plant in Berryville, which then purchased poultry from the area farmers and furnished employment to residents of Oak Grove.

In preparing this article an effort was made to list present businesses operating in the community, but our inquiries were not responded to, however, comparison with twenty years ago and today, will reveal a substantial growth.

Oak Grove was first incorporated in 1938, the corporate limits being extended north to the Missouri line in order that service stations might sell gasoline at Missouri prices. Prices that were under that in Arkansas, but it soon lost its charter.

The original petitioners included L. L. Kiper, Antha Kiper, Clyde Hutchison, Letha Hutchison, Ray Waterman, Val Duncan, Elrene Duncan, T. J. Davis, Ralph Littrell, Geneva Waterman, Frank Davis, Ora Davis, Ott Dunlap, Mrs. O. H. Dunlap, J. N. Littrell, Mrs. J. N. Littrell, Hansel Littrell, Miss Rena Littrell, Geneva Littrell, J. H. Evans, Alvin Atchley, Eli Carpenter, Ray Humbard and Emma Humbard.

The town was again incorporated in 1950, with George Minnick as mayor and Ruby Plumlee as City Clerk.

Oak Grove is located 5 miles southwest of Blue Eye, Mo., 13 miles northeast of Berryville and 10 miles north of Green Forest. Both Highway 21 and 103 serve the community.

RUTH BAIRD

RUTH Baird Ortiz graduated from Blue Eye High School in 1944. Ruth was born to J.D. & Iva Patton Baird in Kansas on 11 April 1928. The Bairds moved to Stone Co. Missouri about 1935.

Ruth's elementary school years were spent at Scooner with teacher Mrs. Florence Mead. The school was at the top of the hill where the Philbret Cemetery is today.This is at Kimberling City, Mo. near where the Radical Post Office was. The Post Mistress at that time was Mrs.Edith Davis Cox.

When Ruth begin highschool , she with her brothers , walked to the Lovejoy home to wait for the bus that would take them to the Blue Eye High School. The Lovejoy house is the log house thst still sets on the lawn of a motel on Highway 13 at the Radic al hill. Just north of the log house was the Jim Curd home & a large canning fac tory. The face of Ruth's world all changed with Table Rock Dam & Lake which has brought Branson West, Kimberling City and a new Kimberling Bridge .(Does that ring a Bell?)

At the age of 15 , Ruth graduated near the top of her class . She was a cheerful individual about 5 ft. 4in. tall with strawberry blond hair , & twinkling gray eyes that crinkled at the corners when she laughed.

The Baird Family all migrated to Washington state in 1945 where they purchased & still own large apple orc hards.

Ruth was married to Manuel Ortiz and they had 4 children. Ruth passed away on JUne 5 ,1944 at her homein Peshastin, Wa. She was preceded in death by her parents , her husband & 1 son. Survivingher are her children, Threasa , Bert, & Patricia & 2 grandchildren, Rita & Beni Alway.

Ruth Ortiz Cont.
Ruth also survived by her brother & sisters Lucille, Hale ,Mary ,Jay , Bob , Dick & Faith.

As a very close friend since 1935, we always stayed in touch . As our own families grew, our correspondence deminished to Christman letters . As all our children became independent we again shared more often. We visited in Manuel & Ruth's home in 1976.

On Christman 1992 Ruth wrote that she was ill. Not untill February 93 , did she find out the dreaded reality. In April she wrote asking us to come & see her.,she said "Mary Ellen , I promise I'll feel good by this summer."

She did feel fair , we spent a glorious week in her home , touring her favorite places, meeting her children , grand grandchildren. & seeing her brothers & sisters.

Sheena Rock wrote a short story about bessie for our 1993 "History Collections" booklet, page 33.

We have a couple of pictures and a few notes to add about Bessie. I first knew Bessie around 1940. Our family moved into an old house on their place where Cleo's parents had lived when she & Cleo were married. It wasn't the same house but the same place. Bessie & Cleo lived about a half mile from there just before you get to the Mo.-Ar. line on the Ar. side. This is the home of Velta & Porter Carmical at this time.

Bessie came to this area as a young bride, of Cleo Taylor. Cleo was returning from W.W.I . He & Bessie were married in Ca. Bessie left parents and brothers there, dosen't seem like she had a sister, which she saw very few times through the years.

Bessie told me once , the most memorial thing about the old house where Cleo's parents were living was the old wood floors, scrubbed so clean it was almost white, as she walked in this house for the first time.

I remember Dec.7,1941 , Bessie came up to our house crying, she had herd the news about the war, not many people had radios in those days. I believe she still had brothers in service at that time.

Besides being our neighbor , she was friend & neighbor to the Link Stephenson Family , The Lee White Family, Sam, George, Burt & Otis Avery families at this time. Also the Ernest Taylor family, Cleo's brother, lived close. There was also Densmore & Ruth Avery & their children, Cleo liked to play pitch so on a Sat. night you could find one or more neighborhood families there. Bessie didn't play cards but she liked to talk & she would have cake & make coffee.

Herman Jones son of Wesley and Fronia Bowan Jones, orphaned at age 11 returned with his sister Dorothy to Kansas; missing the country he walked from Burlingame, Kansas to Galloway, Missouri to his sister Irene's . Later he married Leona Avery Jones on March 12, 1937 at Reeds Spring, Missouri., the parents of 5 sons and 3 daughters. During their early years of marriage Herman , Leona and family followed the harvest during the summer months, returning to timber work in the fall. As a sawmill owner, Herman's family business was in full operation from 1960 to 1980, located east of Blue Eye on highway EE. Also during this time the family made an annual trek to the mountains of Utah and Wyoming to cut mining props for Isaac Smith, owner of Union Timber in Kamas Utah a supplier to Bethlehem Steel and United States Steel. The isolated cabin life in the mountains of Utah and Wyoming allowed ample time for Herman and Leona to instill into their children the values of clean country living, hard work, honesty and appreciation of mother nature. Having been orphaned at such a young age, Herman stressed love, unity and a close bond with his children, grandchildren, and later great-grandchildren. The close bond continues to be observed today through four generations, gallons of coffee shared before and after work and thousands of pounds of brown beans and corn bread shared during the traditional Sunday dinner. Herman enjoyed sharing his knowledge and skills for hunting and fishing with his children and grandchildren, many of his secrets for success to be passed on to later generations. Now absent in body, his memory and his presence continues to be felt and observed through the values and love shared by his family with others.

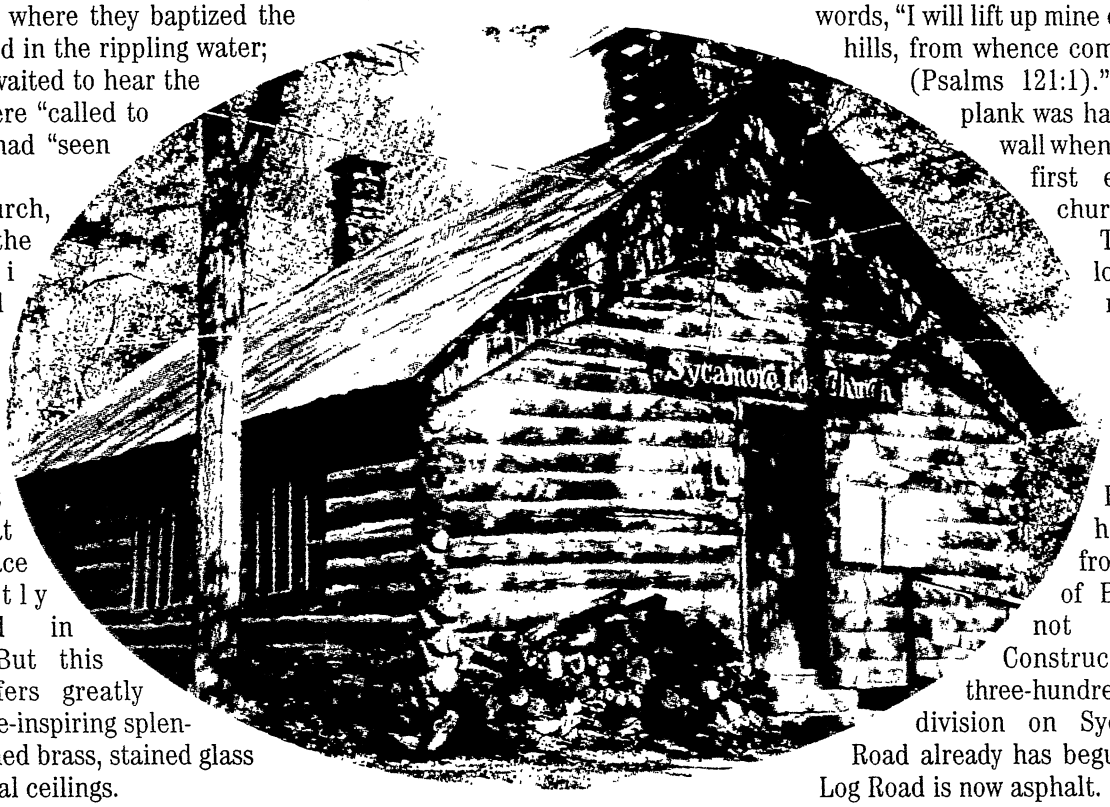
Log Church Beckons

Sprital Impact Still Being Felt After 60 Years

By Mary Neal
BDN Staff Writer

The old Sycamore Log Church stands amid cedar, oak and hickory, in a place where the Roark Creek whispers to any who listen. It seems to tell the story of this place, where the hill folk met a century before to worship beneath a brush arbor; where they baptized the young and old in the rippling water; where they waited to hear the ones who were "called to preach" or had "seen the light."



The church, listed in the Missouri Historical Register, was built in 1933. The single room of about 400 square feet emits that aura of peace frequently encountered in churches. But this church differs greatly from the awe-inspiring splendor of polished brass, stained glass and cathedral ceilings.

As one of the few surviving log structures in the Ozarks, this church transports the senses back to the primitive mountains and woodlans. It somehow reminds the soul that the meek will indeed inherit the earth.

Outside the church on a Sunday morning, the voice of pastor Erma Downs, preaching love and redemption, rings through the countryside.

"I neverdid need a microphone," she said.

Downs has served as pastor of this non-denominational church for the past 20 years. For an unknown number of years before Downs came along, the church sat empty, except when fishermen used it as a campsite. But for several years after it was built, the church was used regularly for services. The most famous person to preach there during the 1930s and 1940s was Rev. Guy Howard, known as the "Walkin' Preacher of the Ozarks."

Willard Jones, 71, who also serves as a church-board member, watched his father build the church.

"I was only 10 when my neighbors got together and built it," Jones said. "They cut the sycamore trees up near Reeds Spring on the north prong of Roark Creek in a place called Board-Tree Holler.

The walls of the church are made of sycamore logs and the inside support beams are cedar. The ceiling is made of oak shakes. Perhaps the most unusual aspect of the church is its chimney, which hangs suspended in air, supported by a beam. The room is heated by an old wood stove.

A three-pronged walnut stump sits upside down on a wood platform. This serves as the pulpit.

A wood plank hanging directly behind the pulpit is inscribed with the words, "I will lift up mine eyes unto the hills, from whence cometh my help (Psalms 121:1)." That same plank was hanging on the wall when Rev. Howard first entered the church.

The church is located a few miles west of the junction of Mo. 248 and Shepherd of the Hills Expressway, hidden away from the bustle of Branson. But not for long. Construction on a three-hundred-home subdivision on Sycamore Log Road already has begun. Sycamore Log Road is now asphalt.

To Downs, the nearby growth could mean a growing congregation, which she said is the goal of all pastors. Currently, 35 people regularly attend there. The tiny church has accommodated twice that amount when a bus load dropped by for services, but that was "a tight squeeze," Downs said.

"But we invite everyone to our services," Downs said. "And we leave the church door unlocked at all times. We trust in people, and we trust that our church will make a lasting spiritual impact on their lives."

Randy High came up with this piece of Poetry. I don't know what newspaper or magazine he found it in but it fits in our collection quiet nicely.

Ma's Old Galvanized Tub

Did you ever take yore Saturday bath and try to wash and scrub,
While squattin' down on your haunches in a galvanized washing tub?
If not, you ain't missed a thing, but I'm telling you what's right,
I done it till I wuz almost grown and that wuz every Saturday night.

In the summer time, it was bad enuff,
But in the winter, it was really ruff.
Spreading papers, filling buckets and kettles, and all that sorta stuff,
But getting ready for that ordeal wuz only half of the rub of taking,
A bath on Saturday night in a galvanized washing tub.

Did you ever stand there stripped to the skin -- a woodstove baking your hide,
A dreadin' to put yore foot in for fear you'd be burned alive,
Finally you got the tempature right an' into the tub you'd crawl.
That cold steel would touch your back and you'd squeal like a fresh stuck hog.

You'd get outa the tub next to the stove and stand there drippin' and shakin'
The front of yore body a freezin' to death while the back of yore body be bakin'
That's the price I had to pay for that awful ordeal will haunt me until I'm old and gray.

I ain't thru yet -- there's somethin' else that I have been wantin' to say,
I wuz the youngest of all the kids that bathed each Saturday night.
Now we all bathed according to age and I fell last in order,
Which meant I had to wash myself in their same old dirty water.

I'm a person of clean habits and believe in a bath a week,
It helps to keep clean and healthy and it freshens up my physique.
But, if I had my druthers, I'd druther eat a bug,
Than take my Saturday night bath again in a galvanized washing tub.

Simkins and Friends Reunion held after a long absence

The Simkins and Friends Reunion was held on June 19 and 20 at the Long Creek Park.

This was our first family reunion in several years. Every one enjoyed getting aquainted and reaquainted. This was a "first time" for many cousins to meet.

My parents, Everett and Luvene Simkins had eleven children. Six were present with many members of their family present. These folks put forth a great deal of effort to come and help make this reunion a success.

Four of their children are passed away. Leona Rogers, who was well represented by children and grandchildren. Her spouse, Fred Rogers was unable to make the trip from Oklahoma. Andrew Sinkins was represented by his son Don Sinkins, Anzie Tate was represented by her daughter, Tressie Maples, with her children and grand-children. Alvie Simkins was represented by his widow, Carmie and their children and grand-children. One son Hairm Simkins from Montrose, Colo. was unable to come. We hope he can come next year. He missed a great time of fellowship and fun.

The six descendents of Everett and Luvene Simkins who were present are Bessie Carpenter with her husband Dale, of Kansas City Mo. They were excited to have three of their six children present. Minnie Carpenter with her husband Fay. They were blessed to have four of ther children along with many grandchildren. Dollie Cox with her husband Ruben from Cortez Colo. Lucille Rask from Denver Colo. Violet Shaw from Kansas City. Violet had a daughter Pam and her family present. Henry Simkins with his wife Willa Mae of Arvada, Colo. and two of their children, and several grandchildren.

Many of us brought family make crafts and gave them as prizes for various things. Ruben and Dollie Cox received a large wreath of dried flowers for coming the furthest. We had only one family from Franklin Springs Ga. Sunday was Fathers's Day for we gave prizes to the oldest father, the youngest father and the father with the youngest child.

Several brought family pictures, both old and new. How we did enjoy looking over them.

We had tee shirts and caps for the reunion. The logo was an oak tree representing our deep roots in Mo. Around the tree is a circle of our love and family unity.

Several family members rode the Sea Plane and enjoyed it. Everyone had such a good time we plan to have another one next year.
